## Testimonial

*Doctors say he came too soon.*

*My son was born three months premature at two pounds 3 oz.*

*I say he couldn't have come at a better time.*

*I stood by his side every day for months and watched him grow.*

*He was all I knew. We have loved, laughed and cried together.*

*I was offered the opportunity for love and support, and my son and I would not be the courageous team we are today without those around us who cared.*

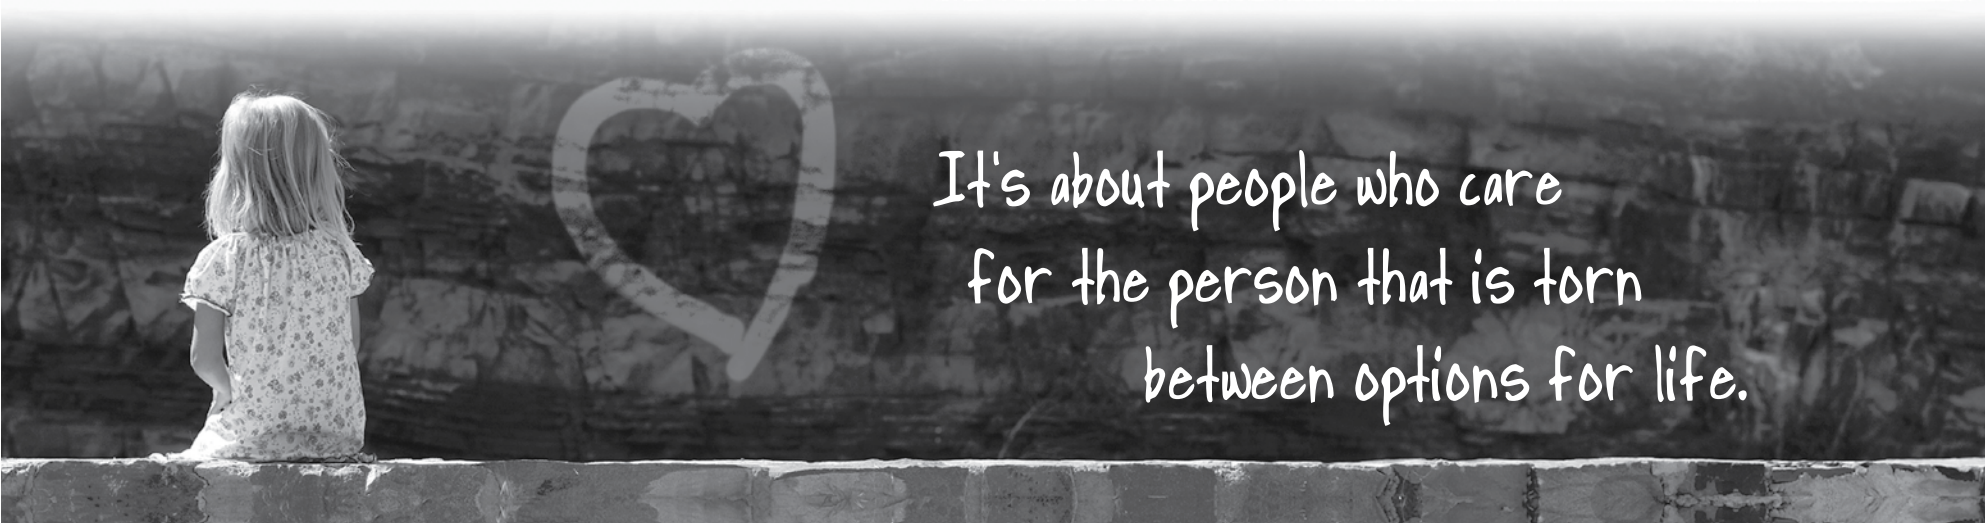

*When I look at him, everyday with all my heart I thank them.*

*I was fifteen.*
